

Complaints & Appeals Policy

Purpose

The purpose of this policy is to provide information and outline the determination for proceeding with complaints & appeals.

Definitions

What is a complaint?

A complaint is generally negative feedback about services or people which has not been resolved locally. It may involve issues concerning:

- Connect Skills Institute Pty Ltd, its trainers, assessors or other staff;
- a third party's services provided on the Connect Skills Institute Pty Ltd behalf, its trainers, assessors or other staff; or
- Connect Skills Institutes Pty Ltd services and activities such as the application and enrolment process, the quality of training and assessment provided, training and assessment matters, including student progress, student support and assessment as well as marketing information.

What is an appeal?

An appeal is an application by a learner for reconsideration of an unfavourable decision or finding during their time with Connect Skills Institute Pty Ltd. An appeal must be made in writing and specify the particulars of the decision or finding in dispute. Appeals must be lodged within twenty-eight (28) working days of the decision or finding is informed to the learner.

It is important to note that a learner may appeal any decision made by Connect Skills Institute Pty Ltd or a third party providing services on Connect Skills Institute's Pty Ltd behalf. Contrary to the popular belief that appeal relates only to assessment decisions, appeals can relate to administrative decisions that Connect Skills Institute Pty Ltd may make. Examples of this include an appeal of a decision to deny a refund or to deny an application for credit transfer. As the process for handling and assessment appeal compared with an appeal of an administrative decision is slightly different, this difference has been catered for within this policy with adjusted processes for both situations.

Connect Skills Institute Pty Ltd encourages the parties to approach the complaint or appeal with an open mind and to resolve problems through discussion and conciliation. The parties will be given the opportunity to formally present their case to the independent person.

Connect Skills Institute Pty Ltd ensures that complaint records are securely maintained and are responded promptly in a consistent and transparent manner with sensitivity and confidentiality. Complaints Policy Detail

Early resolution of complaints

In all cases, issues that arise during training and assessment that are the source of frustration or are in dispute should be resolved at the time they occur between the persons involved. It is often the case that complaints can be avoided by proper communication and respect between persons involved.

Relationship to continuous improvement

Frequently, the complaints handling process will expose weaknesses in the training and assessment or administrative system that can flow into the continuous improvement system as opportunities for improvement. This outcome of complaints handling is very positive and should be actively applied by all persons involved. It is for this reason that complaints received from stakeholders should be seen in a positive light and as opportunities for improvement.

Making a complaint

Complaints may be made by any person but are generally made by learners and/or employers. To make a complaint, the person is recommended to complete the Connect Skills Institute Pty Ltd complaint/appeal form found on the Vasto online learning portal or in writing by sending an e-mail to admin@connectskillsinstitute.edu.au. The completed complaint/appeal form is to be submitted to the Office Manager electronically. These instructions are detailed within the Student Handbook.

Complaint handling principles

Connect Skills Institute Pty Ltd will apply the following principles to its complaints handling:

- Complaints must be made in writing via e-mail to the Office Manager at admin@connectskillsinstitute.edu.au or by completing the complaint/appeal form which is available to them on the Vasto Online Learning Portal. Complaints should be made within thirty (30) calendar days of the incident occurring.
- A written record of all complaints is to be kept by Connect Skills Institute Pty Ltd including all details of lodgement, response and resolution. The complaints register within Vasto is to be used to record the details of the complaint and to maintain a chronological journal of events during the complaint handling process. Records relating to complaint handling must be stored securely to prevent access to unauthorised personnel.
- A complainant is to be provided an opportunity to formally present his or her case at no cost.
- Each complainant may be accompanied and/or assisted by a support person at any relevant meeting.

- The complaints & appeals policy must be publicly available. This means that the complaints & appeals policy and procedure is published on the Connect Skills Institute Pty Ltd website.
- The handling of a complaint is to commence within seven (7) working days of the lodgement of the complaint and all reasonable measures are taken to finalise the process as soon as practicable.
- The complainant is to be provided a written response to the complaint, including details of the reasons for the outcome. A written response must be provided to the complainant within fourteen (14) working days of the lodgement of the complaint.
- Complaints must be resolved to a final outcome within sixty (60) calendar days of the complaint being initially received. Where Connect Skills Institute Pty Ltd Office Manager considers that more than 60 calendar days are required to process and finalise the complaint, the Office Manager must inform the complainant in writing, including reasons why more than 60 calendar days are required. As a benchmark, Connect Skills Institute Pty Ltd should attempt to resolve complaints as soon as possible. A timeframe to resolve a complaint within thirty (30) calendar days is considered acceptable and in the best interest of Connect Skills Institute Pty Ltd and the complainant. A complainant should also be provided with regular updates to inform them of the progress of the complaint handling. Updates should be provided to the complainant at a minimum of four (4) weekly intervals.
- Connect Skills Institute Pty Ltd shall maintain the enrolment of the complainant during the complaint handling process.
- Decisions or outcomes of the complaint handling process that find in the favour of the learner shall be implemented immediately.

- Complaints are to be considered and handled to ensure the principles of natural justice and procedural fairness are applied at every stage of the complaint handling process. This means that the complainant is entitled to be heard with access to all relevant information and with the right of reply. The

complainant is entitled to have their complaint heard by a person that is without bias and may not be affected by the decision. Finally, the decision must be made based on logical evidence and the decision-maker must take account of relevant considerations, must act for a proper purpose and must not consider irrelevant considerations. Further guidance on principles of natural justice and procedural fairness can be accessed at the following link: [Principles of Natural Justice and Procedural Fairness](#)

Third Party Review

Where the person making a complaint is not satisfied with the handling of the matter by Connect Skills Institute Pty Ltd, they have the opportunity for a body or person that is independent of Connect Skills Institute Pty Ltd to review his or her complaint following the internal completion of complaint handling process. In these circumstances the Connect Skills Institute Pty Ltd Chief Executive Officer will advise of an appropriate party independent of Connect Skills Institute Pty Ltd to review the complaint outcome (and its subsequent handling) and provide advice to Connect Skills Institute Pty Ltd in regards to the recommended outcomes. The independent third-party is required to respond with their recommendations within fourteen (14) working days of their review being requested. Where the Connect Skills Institute Pty Ltd appoints or engages an appropriate independent person to review a complaint, the Connect Skills Institute Pty Ltd will meet the full cost to facilitate the independent review. Where the person seeking an appeal objects to this appointment and requests to engage a person or organisation they nominate to undertake the review, the Connect Skills Institute Pty Ltd may seek the person making a complaint to contribute to the cost of engaging this person to undertake the review. This is advised to the person making a complaint within the Student Handbook.

The Chief Executive Officer may, at his or her discretion, follow-up with the complainant after consideration by the Management Team to inform the complainant of the improvement actions identified.

The Complaints and Appeals Register on Vasto is to be kept up to date at all times to accurately reflect how the matter was responded to and the duration from the date the complaint was received to the date the complaint was resolved.
